

THE GREAT BIG GREEN WEEK

ChalCAN Family Bike Route

This route has been prepared by ChalCAN volunteers, funded by a grant from the GCC Build Back Better Fund. The route is waymarked.

The route is about 6.5km. Much is on quiet roads or tracks, but there are some busier roads and several junctions that could be tricky for inexperienced riders (*). Much of it is level or gently sloping, with the exception of two points (#) indicated below. *We would like to get feedback and/or suggestions about the route from participants so do let us know by emailing us at info@chalcan.org.uk*

From Chalford Green by Millennium Bus Stop

1. Go up Highfield Road beyond Chalford Sports and Social Club
2. By pub sign for Kings Head, turn left up Accommodation Lane
3. Follow track up to junction with Bussage-Bisley Road: **DISMOUNT HERE** (*)
4. Cross over and follow track to junction with Eastcombe-Bisley Road: **DISMOUNT** (*)
5. Turn left, ride past Thomas Keble School
6. At far end of the TK entrance take small track to left
7. After 50 yards **DISMOUNT**, as this is a footpath
8. After 30 yards turn right into Farmcote Close, follow road to junction with Ridgeway.
9. At this point you can **EITHER**
 - a. turn right into the Ridgeway (*), then turn next left into The Ridge, go downhill past the Ram, and back uphill (#) to Bussage Hall (turn right here) or
 - b. for an easier ride turn left into The Ridgeway and continue to Bussage Hall
10. Continue along The Ridge, passing Bussage Park on left
11. Turn right into Brownhill Road, then first left into the Avenue
12. Turn right into Browns Hill, then right back into Brownhill Road
13. Continue along to Bussage Park and into The Frith, along past Frith Wood
14. At junction with Old Neighbourhood **DISMOUNT** (*) and cross into Abnash
15. Go up hill (#) to just before Old Neighbourhood Pub and turn right by car park
16. Turn left into Midway and follow this back up to Chalford Millennium Green

We hope you enjoy your ride

*Please wear helmets and ensure that young riders are supervised.
Whilst every step has been taken to make this ride as safe as possible we must point out that cyclists undertake the ride at their own risk.*
